

SWIM AND TRI

2018 Swim Team Sponsorship Polo Guidelines

Swim and Tri is happy to provide polos to our sponsored teams. In order to streamline the process we have created a set of guidelines. Ideally these guidelines should cover all your questions and meet the majority of needs. As with anything, there might be questions or a request to alter these guidelines. We are happy to hear input, but as your season gets closer our time to be able to adapt to special requests might be limited. Therefore, we suggest that any special requests be made at least 4-6 weeks prior to the requested in-hand date.

Team may select from:

1. Gildan 72800 or 72800L

6.3 ounce 65% polyester/35% ring spun cotton pre-shrunk double piqué knit
